

2010 YORKSHIRE MATCHPLAY PAIRS DRAW

Notes:

- * The 1st round is played on a home and away basis over 36 holes. The top pair in each 'game' has home advantage in the 1st leg. The score after 18 holes will carry over to the start of the 2nd leg.
- * If the game is all-square after 36 holes then sudden-death should be played at the venue of the 2nd leg, starting at the first-hole until a winner is decided.
- * The result of each match should be emailed to info@yorkshirematchplay.com
- * Closing dates will not be extended under any circumstances.
- * **If you have any difficulty contacting your opponents please email us ASAP as we may have additional contact details.**
- * Home advantage is already pre-decided for the 2nd, 3rd and 4th round matches (see below).
- * To balance the draw some pairs will receive a bye through the 2nd round.
- * The Regional Final is played on a home and away basis over 36 holes.
- * Maximum playing handicap is 18 (handicaps 19+ must play off 18). Stroke allowance is 3/4 difference. Handicaps may have changed since entry - take a certificate to your match.
- * The 4 Regional Final winning pairs go through to the Grand Final at Alwoodley.
- * Full rules at www.yorkshirematchplay.com
